| Alan Smyth | 540 |
| 25m Smallbore Pistol | |
| John Keeney | 303 |
| Alan Smyth | 427 |

Report

Following the successful Freshers' Week membership drive, three members of DURC attended the EARC Festival. Due to complications with paperwork, a change of dates and the level of work during Freshers' Week, our original planned team of eight was seriously whittled down.

John and Alan shot very disappointing scores due to extreme lighting conditions early Saturday morning, where the early morning sun was directly behind the target thereby eliminating almost all contrast in the sight picture.

It's hoped that next year we will be able to send more people to EARC for the competition, this year saw a lot of factors come together to prevent this.

Misé le meas,

Mark Dennehy, DURC Secretary
