Subject: Trinity Top Ten 2001 — 30th May 2001

A Chara,

Entries are invited for the Trinity Top Ten 2001 Postal competition. This year is the 40^{th} anniversary of the founding of the modern DURC club and so for this year we are asking for a large number of entrants to help celebrate the anniversary. For this purpose, we have expanded the competition this year to contain three leagues. As well as the traditional 50m prone rifle league, this year will see the inclusion of a 25yard prone rifle league and a 10m Air Rifle league, as well as a seperate category in each league for Junior shooters (who must have been aged 18 or under on Janurary 1^{st} this year). A team event will not be held this year due to the workload increase anticipated from having two new leagues added to the competition.

Entry forms are attached to this letter. Completed entry forms and shot cards should be sent to the following address:

Mark Dennehy, *DURC Secretary*,
Dublin University Rifle Club
c/o DUCAC
House 27
Trinity College Dublin
Dublin 2
Ireland

An appropriate address label is included for the return of the entry forms : more will be sent out with the round nomination stickers. The entry fee is IR£5 per individual, and IR£1 for Juniors.

The completed entry form must reach the above address by no later than Friday June 22nd. For those competing from abroad, entry forms may be faxed to +353-1-677 2204.

Nomination stickers can be sent out early to facilitate the inclusion of cards shot at calendar events: email `Mark.Dennehy@cs.tcd.ie` or fax the above number.

Note that I can be contacted by email, fax or phone at any point should a problem arise with the competition.

Rules

Common Rules

- A shooter may shoot for one club only in each league
- A shooter may enter as many leagues as he or she wishes
- A junior shooters score will not be counted for the seniors league.
- A round is prenominated by placing the appropriate sticker behind the bull of the first target.
- Only one sticker per card.
- The shooter should write his or her name clearly on the front of the target together with their entry number and the round number as obtained from the sticker.
- If the card is shot concurrently with another competition, the card must still be prenominated in the usual way and the card should be forwarded in the normal manner.
- ISSF regulations will be used as the basis for all technical resolutions. Ties however, will not be broken except for the final overall placing.
- A shooter who fails to return cards for two rounds will be disqualified from the competition. These rounds do not have to be consecutive.
- The coordinator will accept no responsibility for cards given to other D.U.R.C. members at shoots.

50m Prone Rifle League Rules

- This is an open competition, shot outdoors at 50m. Each round consists of 20 shots (one four-target card) fired during a twenty-minute detail.

25yd Prone Rifle League Rules

- This is an open competition, shot indoors at 25 yards. Each round consists of 20 shots (two ten-target cards) fired during two ten-minute details.

10m Air Rifle League Rules

- This is an open competition, shot indoors at 10m. Each round consists of 20 shots (four five-target cards) fired during four five-minute details.

Note that not complying with the above rules will lead to a penalty of one point (not gunscore) from that round.

Scoring

Each round is scored (points ex200). The entrants are then ranked in order on the basis of their score in that round. Points are awarded as follows. The individual with the highest gunscore will recieve the same number of points as there are entrants, the next placed shooted will receive one less and so on down. The cumulative sum of your points from the ten rounds will determine your overall placing. This method will be applied to all three leagues: the scores in each league will be independent of the other two leagues.

Due Dates

Note that these are the dates by which the cards must *reach* DURC, and not the date by which they must be shot. Cards may be shot and submitted ahead of time.

- Only one sticker per card.
- The shooter should write his or her name clearly on the front of the target together with their entry number and the round number as obtained from the sticker.
- If the card is shot concurrently with another competition, the card must still be prenominated in the usual way and the card should be forwarded in the normal manner.

Subject: Trinity Top Ten 2001 — 30th May 2001

A Chara,

Entries are invited for the Trinity Top Ten 2001 Postal competition. This year is the 40$^{\text{th}}$ anniversary of the founding of the modern DURC club and so for this year we are asking for a large number of entrants to help celebrate the anniversary. For this purpose, we have expanded the competition this year to contain three leagues. As well as the traditional 50m prone rifle league, this year will see the inclusion of a 25yard prone rifle league and a 10m Air Rifle league, as well as a seperate category in each league for Junior shooters (who must have been aged 18 or under on Janurary 1$^{\text{st}}$ this year). A team event will not be held this year due to the workload increase anticipated from having two new leagues added to the competition.

Entry forms are attached to this letter. Completed entry forms and shot cards should be sent to the following address:

Mark Dennehy, *DURC Secretary*,
Dublin University Rifle Club
c/o DUCAC
House 27
Trinity College Dublin
Dublin 2
Ireland

An appropriate address label is included for the return of the entry forms : more will be sent out with the round nomination stickers. The entry fee is IR£5 per individual, and IR£1 for Juniors.

The completed entry form must reach the above address by no later than Friday June 22nd. For those competing from abroad, entry forms may be faxed to +353-1-677 2204.

Nomination stickers can be sent out early to facilitate the inclusion of cards shot at calendar events: email `Mark.Dennehy@cs.tcd.ie` or fax the above number.

Note that I can be contacted by email, fax or phone at any point should a problem arise with the competition.

Rules

Common Rules

- A shooter may shoot for one club only in each league
- A shooter may enter as many leagues as he or she wishes
- A junior shooters score will not be counted for the seniors league.
- A round is prenominated by placing the appropriate sticker behind the bull of the first target.
- Only one sticker per card.
- The shooter should write his or her name clearly on the front of the target together with their entry number and the round number as obtained from the sticker.
- If the card is shot concurrently with another competition, the card must still be prenominated in the usual way and the card should be forwarded in the normal manner.
- ISSF regulations will be used as the basis for all technical resolutions. Ties however, will not be broken except for the final overall placing.
- A shooter who fails to return cards for two rounds will be disqualified from the competition. These rounds do not have to be consecutive.
- The coordinator will accept no responsibility for cards given to other D.U.R.C. members at shoots.

50m Prone Rifle League Rules

- This is an open competition, shot outdoors at 50m. Each round consists of 20 shots (one four-target card) fired during a twenty-minute detail.

25yd Prone Rifle League Rules

- This is an open competition, shot indoors at 25 yards. Each round consists of 20 shots (two ten-target cards) fired during two ten-minute details.

10m Air Rifle League Rules

- This is an open competition, shot indoors at 10m. Each round consists of 20 shots (four five-target cards) fired during four five-minute details.

Note that not complying with the above rules will lead to a penalty of one point (not gunscore) from that round.

Scoring

Each round is scored (points ex200). The entrants are then ranked in order on the basis of their score in that round. Points are awarded as follows. The individual with the highest gunscore will recieve the same number of points as there are entrants, the next placed shooted will receive one less and so on down. The cumulative sum of your points from the ten rounds will determine your overall placing. This method will be applied to all three leagues: the scores in each league will be independent of the other two leagues.

Due Dates

Note that these are the dates by which the cards must *reach* DURC, and not the date by which they must be shot. Cards may be shot and submitted ahead of time.

Round 2	July 27

Subject: Trinity Top Ten 2001 — 30th May 2001

A Chara,

Entries are invited for the Trinity Top Ten 2001 Postal competition. This year is the 40^{th} anniversary of the founding of the modern DURC club and so for this year we are asking for a large number of entrants to help celebrate the anniversary. For this purpose, we have expanded the competition this year to contain three leagues. As well as the traditional 50m prone rifle league, this year will see the inclusion of a 25yard prone rifle league and a 10m Air Rifle league, as well as a seperate category in each league for Junior shooters (who must have been aged 18 or under on Janurary 1^{st} this year). A team event will not be held this year due to the workload increase anticipated from having two new leagues added to the competition.

Entry forms are attached to this letter. Completed entry forms and shot cards should be sent to the following address:

Mark Dennehy, *DURC Secretary*,
Dublin University Rifle Club
c/o DUCAC
House 27
Trinity College Dublin
Dublin 2
Ireland

An appropriate address label is included for the return of the entry forms : more will be sent out with the round nomination stickers. The entry fee is IR£5 per individual, and IR£1 for Juniors.

The completed entry form must reach the above address by no later than Friday June 22nd. For those competing from abroad, entry forms may be faxed to +353-1-677 2204 .

Nomination stickers can be sent out early to facilitate the inclusion of cards shot at calendar events: email `Mark.Dennehy@cs.tcd.ie` or fax the above number.

Note that I can be contacted by email, fax or phone at any point should a problem arise with the competition.

Rules

Common Rules

- A shooter may shoot for one club only in each league
- A shooter may enter as many leagues as he or she wishes
- A junior shooters score will not be counted for the seniors league.
- A round is prenominated by placing the appropriate sticker behind the bull of the first target.
- Only one sticker per card.
- The shooter should write his or her name clearly on the front of the target together with their entry number and the round number as obtained from the sticker.
- If the card is shot concurrently with another competition, the card must still be prenominated in the usual way and the card should be forwarded in the normal manner.
- ISSF regulations will be used as the basis for all technical resolutions. Ties however, will not be broken except for the final overall placing.
- A shooter who fails to return cards for two rounds will be disqualified from the competition. These rounds do not have to be consecutive.
- The coordinator will accept no responsibility for cards given to other D.U.R.C. members at shoots.

50m Prone Rifle League Rules

- This is an open competition, shot outdoors at 50m. Each round consists of 20 shots (one four-target card) fired during a twenty-minute detail.

25yd Prone Rifle League Rules

- This is an open competition, shot indoors at 25 yards. Each round consists of 20 shots (two ten-target cards) fired during two ten-minute details.

10m Air Rifle League Rules

- This is an open competition, shot indoors at 10m. Each round consists of 20 shots (four five-target cards) fired during four five-minute details.

Note that not complying with the above rules will lead to a penalty of one point (not gunscore) from that round.

Scoring

Each round is scored (points ex200). The entrants are then ranked in order on the basis of their score in that round. Points are awarded as follows. The individual with the highest gunscore will recieve the same number of points as there are entrants, the next placed shooted will receive one less and so on down. The cumulative sum of your points from the ten rounds will determine your overall placing. This method will be applied to all three leagues: the scores in each league will be independent of the other two leagues.

Due Dates

Note that these are the dates by which the cards must *reach* DURC, and not the date by which they must be shot. Cards may be shot and submitted ahead of time.
